Errata

Page	Clarification
98	Caption for C.C.S. photo. The first sentence should read, " <i>The C.C.S. was used on the base L35 396 engine with the TH400 Turbo-Hydramatic transmission.</i> " Only one automatic transmission was available in 1969 with the SS396 option.
115	Wrong photo displayed. The yellow 1969 Chevelle in photo is Butternut Yellow, not Daytona Yellow.
120	Caption for Fremont and Framingham trim tags second line missing the word "VEHCILE" at the end and second line should read " <i>CERTIFIES TO THE DEALER THAT THIS VEHICLE</i> "
142	Casting Number paragraph. Some very early 1970 L78 Chevelles were supplied with 1969 casting number rear ends, casting number 3959038.
